

The Los Angeles Model Railroad Society is a non-profit model train club located in the greater Los Angeles area.

We enjoy all aspects of model railroading, including layout construction, running trains and operating sessions, and welcome all ages to join us.

In late 2022, the Society began building a layout at our new location in Harbor City, CA. Since then, we have experienced a 25% increase in membership since we began this project. New and existing members are presented with a rare opportunity to participate in building the next generation layout from the ground up. Here is a chance to develop your skills using modern technologies along with tried-and-true techniques.

Contact us

Text or Voicemail: **424-333-9477**

Email at **lamrsinfo@gmail.com**

Website (click here): **lamrs.org**

We meet Tuesdays at 7:00 p.m., except for the 1st Tuesday of the month which is our monthly business meeting (open to members only).

To be informed of our latest activities, send us an email and ask to be added to our mailing list.
